

# What do our staff value most about working at Unity Housing?

“We have a common goal of assisting the community with housing needs. I enjoy the challenges and tasks that are at hand with an ever-evolving and dynamic industry.”

“Energetic and positive place to work at.”

“Management are very approachable and supportive.”

“My peers are a great resource. Information is freely shared between co-workers.”

“Contributing to an organisation that helps to improve the lives of others.”

“The respect and freedom that is given to me in order to allow me to do my job.”

“People, opinions and suggestions are well regarded.”

“The supportive and positive working environment.”

“I really love the devotion Unity Housing has to help those in need, and that staff are looked after so well.”

“Great work life balance.”
