

UNITY HOUSING DEVELOPMENT PORTFOLIO

The background of the slide features a collage of images. On the left, a tall, modern apartment building with a mix of grey concrete and red brick is visible. On the right, a modern single-story house with large, multi-paned windows is shown. In the bottom left, a circular inset shows a single-story house with a brick chimney and a white garage door. The entire slide is framed by green geometric shapes.

The following
Unity Housing
developments have
produced 406 dwellings
with total project costs
in excess of
\$130 million.

Our Purpose

We provide affordable, safe and secure homes for South Australians on low incomes.

We build partnerships to create tenancies that promote independence and viable and sustainable communities.

Our Values

Respect and Social Justice

Innovation and Creativity

Collaboration and Partnerships

Transparent and Ethical

Leadership and Professionalism

Empowering and Respectful

Unity Housing's Community Housing Asset Renewal Program **(CHARP)**

Renewing Our Streets and Suburbs **(ROSAS)** program.

Unity Housing's Community Housing Asset Renewal Program (CHARP) delivered 26 new fit-for-purpose social housing properties (rented to eligible tenants at up to 25 per cent of income) to replace 26 social housing properties either sold or demolished to allow for subdivision and redevelopment.

In addition to the 26 replacement social housing outcomes constructed on subdivided land, Unity Housing delivered 15 affordable housing outcomes (rented to eligible tenants at 75 per cent market rent) as part of our commitment to the Renewing Our Streets and Suburbs (ROSAS) program.

2021

CLEARVIEW

Location
Alderney Avenue,
Clearview

Project summary: The redevelopment of this site saw the demolition of one existing social housing dwelling and subdivision of the site into two allotments allowing the construction of two x four-bedroom social housing outcomes (rented to eligible tenants at up to 25 per cent of income).

All homes were architecturally designed and have been certified at Livable Housing Design Guidelines Gold Level and SDA Improved Liveability to accommodate tenants living with disability. All homes have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. Each home has been fitted with reverse-cycle air conditioning and a 3.7kW solar photovoltaic system to minimise tenant energy costs.

Completion: December 2021

Project cost: \$1.09m

Dwelling mix: Two houses

Target group: Social housing for people on low incomes classified as Category 1 (urgent housing needs) on the housing register

Partners: Constructwell Pty Ltd; Oryx Property; NHFIC; SA Housing Authority

2021

ENFIELD

Location
Ward Terrace,
Enfield

Completion: November 2021

Project cost: \$1.2m

Dwelling mix: Three houses

Target group: Social housing for people on low incomes classified as Category 1 (urgent housing needs) on the housing register

Partners: Constructwell Pty Ltd; Oryx Property; NHFIC; SA Housing Authority

Project summary: The redevelopment of this site saw the demolition of one existing social housing dwelling and subdivision of the site into three allotments allowing the construction of three x two-bedroom social housing outcomes (rented to eligible tenants at up to 25 per cent of income).

All homes were architecturally designed and have been certified at Livable Housing Design Guidelines Gold Level and SDA Improved Liveability to accommodate tenants living with disability. All homes have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. Each home has been fitted with reverse-cycle air conditioning and a 3.7kW solar photovoltaic system to minimise tenant energy costs.

2021

GREENACRES

Location
 Whysall Road,
 Greenacres

Completion: October 2021

Project cost: \$1.27m

Dwelling mix: Three houses

Target group: Social housing for people on low incomes classified as Category 1 (urgent housing needs) on the housing register

Partners: Constructwell Pty Ltd; Oryx Property; NHFIC; SA Housing Authority

Project summary: The redevelopment of this site saw the demolition of one existing social housing dwelling and subdivision of the site into three allotments allowing the construction of two x two-bedroom and one x three-bedroom social housing outcomes (rented to eligible tenants at up to 25 per cent of income).

All homes were architecturally designed and have been certified at Livable Housing Design Guidelines Gold Level and SDA Improved Liveability to accommodate tenants living with disability. All homes have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. Each home has been fitted with reverse-cycle air conditioning and a 3.7kW solar photovoltaic system to minimise tenant energy costs.

2021

FINDON

Location
Buccleuch Avenue,
Findon

Completion: July 2021

Project cost: \$3.2m

Dwelling mix: Seven houses

Target group: Affordable housing for people on low to moderate incomes

Partners: Constructwell Pty Ltd; Oryx Property; NHFIC; SA Housing Authority

Project summary: The redevelopment of the former double unit site was delivered by combining Unity Housing's CHARP and Renewing Our Streets and Suburbs program investment program to deliver seven townhouses rented to eligible tenants at 75 per cent market rent.

All homes were architecturally designed and have been certified at Livable Housing Design Guidelines Silver Level and SDA Improved Liveability to accommodate tenants living with disability. All homes have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. Each home has been fitted with reverse-cycle air conditioning and a 3.7kW solar photovoltaic system to minimise tenant energy costs.

2021

NORTH METRO ADELAIDE

Project summary: Using a combination of a Private Benevolent donation and Unity Housing investment, this spacious three-bedroom home was constructed specifically for long-term accommodation for a family escaping domestic violence. The home was constructed to Livable Housing Australia Gold Level to cater for tenants living with disability.

The home has been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. The home has also been fitted with reverse-cycle air-conditioning and a 3.7kW solar photovoltaic system to minimise tenant energy costs.

The home was constructed as part of Unity Housing's Community Housing Asset Renewal Program and saw the allotment created as part of a two-lot land division with the remaining allotment sold to market for the construction of affordable housing.

Completion: June 2021

Project cost: \$425,000

Dwelling mix: One house on individual title

Target group: Family housing

Partners: Private Benevolent donation; Constructwell Pty Ltd; Oryx Property; SA Housing Authority

2021

BEVERLEY

Location
Main Street,
Beverley

Project summary: This development was delivered as part of Stage 1 of Unity Housing's Renewing Our Streets and Suburbs commitment. As part of the overall project, Unity Housing successfully managed the sale of three existing social housing properties and the demolition of five social housing properties at the end of their economic life. The five vacant allotments were then subdivided in to either two or three lot land divisions to enable the construction of 11 housing outcomes. Unity Housing replaced the eight social housing properties lost to sale or demolition with eight new fit for purpose social housing outcomes (rented to eligible tenants for up to 25 per cent of income) and constructed three affordable housing outcomes (rented to eligible tenants at less than 75 per cent of market rent).

The existing property was demolished and replaced with one x two-bedroom and one x three-bedroom social housing outcomes. Both homes have been certified at Livable Housing Design Guidelines Gold Level and SDA Improved Liveability to accommodate tenants living with disability. Both properties have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. The homes have been fitted with reverse-cycle air conditioning and 3.7kW solar photovoltaic system to minimise tenant energy costs.

Completion: November 2021

Project cost: \$1.005m

Dwelling mix: One x two-bedroom and one x three-bedroom social housing replacement properties

Target group: Social housing for people on low incomes classified as Category 1 (urgent housing needs) on the housing register

Partners: NHFIC; Palumbo Pty Ltd; SA Housing Authority

2021

HENDON

Location
Vickers Avenue,
Hendon

Unity Housing successfully managed the sale of three existing social housing properties and the demolition of five social housing properties at the end of their economic life. The five vacant allotments were then subdivided in to either two or three lot land divisions to enable the construction of 11 housing outcomes. Unity Housing replaced the eight social housing properties lost to sale or demolition with eight new fit-for-purpose social housing outcomes (rented to eligible tenants for up to 25 per cent of income) and constructed three affordable housing outcomes (rented to eligible tenants at less than 75 per cent of market rent).

The existing property was demolished and replaced with two x two-bedroom social housing outcomes. Both dwellings have been certified at Livable Housing Design Guidelines Gold Level and SDA Improved Liveability to accommodate tenants living with disability. Both properties have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. Both properties has been fitted with reverse-cycle air conditioning and fitted with 3.7kW solar photovoltaic system to minimise tenant energy costs.

Completed: October 2021

Project cost: \$870,000

Dwelling mix: Two x two-bedroom social housing replacement properties

Target group: Social housing for people on low incomes classified as Category 1 (urgent housing needs) on the housing register

Partners: NHFIC; Palumbo Pty Ltd; SA Housing Authority

Project summary: This development was delivered as part of Stage 1 of Unit Housingy's Renewing Our Streets and Suburbs commitment. As part of the overall project,

2021

ROYAL PARK

Location
Cooke Crescent,
Royal Park

Both properties have been fitted with reverse-cycle air conditioning and fitted with 3.7kW solar photovoltaic system to minimise tenant energy costs.

Completed: September 2021

Project cost: \$845,000

Dwelling mix: Two x two-bedroom social housing replacement properties

Target group: Social housing for people on low incomes classified as Category 1 (urgent housing needs) on the housing register

Partners: NHFIC; Palumbo Pty Ltd; SA Housing Authority

Project summary: This development was delivered as part of Stage 1 of Unity's Renewing Our Streets and Suburbs commitment. As part of the overall project,

2021

WOODVILLE WEST

Location
Cooke Crescent,
Royal Park

Completed: August 2021

Project cost: \$1.365m

Dwelling mix: One x two-bedroom Unity Housing-owned affordable property and two x two-bedroom social replacement properties

Target group: Affordable housing for people on low to moderate incomes and social housing for people on low incomes classified as Category 1 (urgent housing needs) on the housing register

Partners: NHFIC; Palumbo Pty Ltd; SA Housing Authority

Project summary: This development was delivered as part of Stage 1 of Unity Housing's Renewing Our Streets and Suburbs commitment. As part of the overall project Unity Housing successfully managed the sale of three existing social housing properties and the demolition of five social housing properties at the end of their economic life. The five vacant allotments were then subdivided in to either two or three lot land divisions to

enable the construction of 11 housing outcomes. Unity Housing replaced the eight social housing properties lost to sale or demolition with eight new fit for purpose social housing outcomes (rented to eligible tenants for up to 25 per cent of income) and constructed three affordable housing outcomes (rented to eligible tenants at less than 75 per cent of market rent).

The existing property was demolished and subdivided into three allotments with two x two-bedroom social housing outcomes and one x two-bedroom affordable housing outcome delivered. All three dwellings have been certified at Livable Housing Design Guidelines Gold Level and SDA Improved Liveability to accommodate tenants living with disability. All properties have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. All properties have been fitted with reverse-cycle air conditioning and fitted with 3.7kW solar photovoltaic system to minimise tenant energy costs.

2021

FINDON

Location
Strathbogie
and Drummond
Avenues,
Woodville West

Completed: July 2021

Project cost: \$1m

Dwelling mix: One x two-bedroom and one x three-bedroom affordable Unity Housing-owned properties

Target group: Affordable housing for people on low to moderate incomes

Partners: NHFIC; Palumbo Pty Ltd; SA Housing Authority

Project summary: This development was delivered as part of Stage 1 of Unity Housing's Renewing Our Streets and Suburbs commitment. As part of the overall project, Unity Housing successfully managed the sale of three existing social housing properties and the demolition of five social housing properties at the end of their economic life. The five vacant allotments were then subdivided in to either two or three lot land divisions to enable the construction of 11 housing outcomes. Unity Housing replaced the eight social housing properties

lost to sale or demolition with eight new fit for purpose social housing outcomes (rented to eligible tenants for up to 25 per cent of income) and constructed three affordable housing outcomes (rented to eligible tenants at less than 75 per cent of market rent).

The property on the corner of Strathbogie and Drummond Avenues, Findon was demolished and subdivided into two allotments with one x two-bedroom and one x three-bedroom affordable housing outcomes delivered. Both dwellings have been certified at Livable Housing Design Guidelines Gold Level and SDA Improved Liveability to accommodate tenants living with disability. Both properties have been landscaped with drought-tolerant native plant selections and mulch to maximise water sustainability and minimise the requirement for maintenance. Both properties have been fitted with reverse-cycle air conditioning and fitted with a 3.7kW solar photovoltaic system to minimise tenant energy costs.

2017

BLAIR ATHOL

Location
Ashburton Street,
Blair Athol

Completion: September 2017

Project cost: \$3.5 million

Dwelling mix: On a compact 2,030 square metre site, the project delivered eight mixed housing outcomes of:

- two new three-bedroom Silver Standard group homes for people living with disability
- two new three-bedroom community housing rental properties
- four new three-bedroom dwellings sold to the first home buyers' market

Target group: The project delivered a successful mixed tenure model that integrates social housing renters, affordable housing owners, and group homes for people with disabilities.

Partners: Oryx Property, South Australian Housing Trust, Renewal SA, EBL Disability Services

Awards: 2018 Urban Development Institute of Australia (UDIA SA): Award for Excellence in Community Housing

Project Summary: This innovative and award-winning project was delivered without the need for any government funding contribution. This was achieved by leveraging the sale of four obsolete social housing dwellings and the reinvestment of the realised funds to purchase and develop land through Renewal SA's Renewing Our Streets and Suburbs (ROSAS) program.

This \$3.5 million project achieved an overall housing uplift of eight properties and achieved the principal objective of creating two new purpose-built disability group homes integrated with social and market housing.

2015

BOWDEN

Location
Seventh Street,
Bowden

Completion: March 2015

Project cost: \$13.1m

Dwelling mix: Comprises 42 apartments: 26 for long-term affordable rental homes (19 one-bedroom, 7 two-bedroom) and 16 for affordable sale to the private market

Target group: Key workers on modest incomes. The Nexus Apartments also feature 16 apartments for sale to the private market, creating a mixed-tenure community of long-term renters and home owners

Partners: Buildtec Group; Community Sector Banking; NRAS

Project Summary: In partnership with Buildtec Group, Unity Housing completed the Nexus Apartments development, located within the Bowden precinct and overlooking the North Adelaide parklands.

Having invested \$13.1 million in this high-quality housing development, Unity Housing own and manage 26 apartments that provide long-term affordable rental homes for eligible people and families on modest incomes.

2014

ST CLAIR

Location
Post Parade,
St Clair

Completion: September 2014

Project cost: \$4m

Dwelling mix: 15 apartments

Target group: People on low to medium incomes

Partners: Buildtec Group; Bank Australia; NRAS; CWLTH HAF

Project Summary: Comprising 15 apartments, the one-bedroom and two-bedroom homes offer low to moderate income earners outstanding quality and affordable accommodation close to public transport and amenities such as shopping centres, schools and health services.

The developments were supported by the Commonwealth Housing Affordability Fund (HAF) and National Rental Affordability Scheme (NRAS) funds, along with the State Government's NRAS contribution.

2014

ST CLAIR

Location
Brocas Avenue,
St Clair

Completion: September 2014

Project cost: \$4.8m

Dwelling mix: 14 townhouses

Target group: People on low to medium incomes

Partners: AV Jennings; Community Sector Banking; CWLTH HAF; NRAS

Award: AV Jennings and Unity Housing - Best Affordable Development in SA. Winner UDIA Affordable Housing Award 2014

Project Summary: Comprising 14 two-bedroom townhouses which offer low to moderate income earners outstanding quality accommodation close to public transport and amenities such as shopping centres, schools and health services.

The developments were supported by the Commonwealth Housing Affordability Fund (HAF) and National Rental Affordability Scheme (NRAS) funds, along with the State Government's NRAS contribution.

BOOLEROO CENTRE

Completion: December 2014

Project cost: \$22m

Dwelling mix: 102 homes (80 Unity Housing; 22 market)

Target group: 60 rented to key workers and 20 to older South Australians and people living with a disability

Partners: Devine Group; Rosedale Homes and Wahlstedt Quality Homes; HomeStart Finance

Awards: 2015 AHI Award of Excellence: Housing Development; 2015 PowerHousing Award: Leadership and Innovation

Project Summary: Unity Housing's Northern Region Affordable Rental Initiative delivers in 11 communities in the mid-north region. This project supported expanding industries and fostered economic development for regional South Australia.

The projects also offered each of the 80 homes a 1.5kW photovoltaic solar generation system to reduce tenant electricity bills by up to 50 per cent.

The project is an innovative partnership driven by Unity Housing between the Commonwealth Government, the South Australian State Government, regional councils, the corporate sector and Regional Development Australia.

2012

KILBURN

Location
Way Street,
Kilburn

Completion: April 2012

Project cost: \$0.87m

Dwelling mix: 3 attached houses

Target group: People with mental illness or psychiatric disability

Partners: HomeStart Finance; SA Health; NRAS

Project Summary: This project delivers three NRAS properties constructed by Unity Housing in the northern, western, eastern and north eastern metropolitan area for the Mental Health Unit of SA

Health for the Housing and Accommodation Support Partnership (HASP) program.

Allocation decisions are made by the Mental Health Allocations Committee in each region. Unity Housing and the local psychosocial support provider are members of these committees. Support providers are Neami National and Life Without Barriers.

These developments were supported by the State Government Major Reform Unit through the NRAS Housing and Accommodation Support Partnership (HASP) program and NRAS Program 2.

2011

CBD

Location
The Globe
Apartments
Synagogue Place,
Adelaide

Completion: December 2011

Project cost: \$20.9m

Dwelling mix: 78 units in a 15-level residential building

Target group: Student accommodation and low income tenants

Partners: Bank Australia; Hindmarsh Group; NRAS; The Wyatt Benevolent Institution Inc.

Project Summary: A multi-storey apartment building containing 78 two-bedroom units with shared facilities, including shared laundry, on the first floor.

42 two-bedroom apartments are owned by Unity Housing and 36 two-bedroom apartments were kept by the developer, the Hindmarsh Group, for sale to private investors. Six of Unity Housing's apartments are funded via a High Need Housing Grant and accommodate lower income tenants on an income based rent.

The apartments have been designed primarily as Managed Residential Student Accommodation and were originally managed by UniLodge.

Unity Housing now provides the property management services of the facility and all apartments.

2011

ST CLAIR

Location
Cameo Street,
St Clair

Completion: October 2011

Project cost: \$4.3m

Dwelling mix: 15 attached houses

Target group: People on low to moderate incomes

Partners: HomeStart Finance; The Wyatt Benevolent Institution Inc.; SA Health; NRAS

Project Summary: This project delivers a mix of two and three-bedroom affordable homes to people on low incomes.

These developments were supported by the Commonwealth Government National Rental Affordability Scheme (NRAS) Program 1 & 2.

Six houses were supported by the State Government Major Reform Unit through the NRAS Housing and Accommodation Support Partnership (HASP) program.

2011

ELIZABETH SOUTH

Location

Swan Crescent,
Elizabeth South

Completion: September 2011

Project cost: \$0.91m

Dwelling mix: 4 attached houses

Target group: People with mental illness or psychiatric disability

Partners: HomeStart Finance; SA Health; NRAS

Project Summary: This project delivers four NRAS properties constructed by Unity Housing in the northern, western, eastern and north eastern metropolitan area for the Mental Health Unit of SA

Health for the Housing and Accommodation Support Partnership (HASP) program.

Allocation decisions are made by the Mental Health Allocations Committee in each region. Unity Housing and the local psychosocial support provider are members of these committees. Support providers are Neami National and Life Without Barriers.

These developments were supported by the State Government Major Reform Unit through the NRAS Housing and Accommodation Support Partnership (HASP) program and NRAS Program 2.

2011

GOOLWA NORTH

Location

River Breeze
Estate
Jemison Court
and
Lawrence Street,
Goolwa North

Completion: September 2011

Project cost: \$1.67m

Dwelling mix: 6 houses on individually titled blocks

Target group: People on low to moderate incomes and people living with disabilities

Partners: Federal Government grant through Social Housing National Partnership – High needs grant; State Government grant through Affordable Housing

Innovations Fund (AHIF); Commonwealth Government (NRAS); The Wyatt Benevolent Institution Inc (grant); HomeStart Finance

Project Summary: These houses are tenanted by a range of people from those with significant disabilities requiring support through to families whose need is simply for secure and affordable housing in the right location.

2011

ST CLAIR

Location
Robertson Court,
St Clair

Completion: July 2011

Project cost: \$2.9m

Dwelling mix: 10 townhouses

Target group: People on low to moderate incomes

Partners: HomeStart Finance; NRAS; SA Health

Project Summary: This project delivers three-bedroom townhouses to provide homes for those on low to moderate incomes.

The developments were supported by the Commonwealth Government National Rental Affordability Scheme (NRAS) Program 1 & 2.

Four houses were supported by the State Government Major Reform Unit through the NRAS Housing and Accommodation Support Partnership (HASP) program.

2011

GUMERACHA

Location
Albert Street,
Gumeracha

Completion: June 2011

Project cost: \$1.04m

Dwelling mix: 4 units on a 1500m2 site

Target group: People on low to very low incomes with disabilities, including the aged

Partners: The Wyatt Benevolent Institution Inc.; HomeStart Finance; Adelaide Hills Council (land); NRAS

Project Summary: Gumeracha is a town in the Adelaide Hills with an increased incidence of higher

level disability, around three times the Adelaide Hills Council figure.

Four units are provided for long term accommodation for the local community. Support needs are assessed prior to allocation to be provided by external agencies. The predominant target group is people on low to very low incomes with disabilities, including the aged.

The developments were supported by the State Government Grant through AHU and Commonwealth Government National Rental Affordability Scheme (NRAS) Program 1 & 2.

2011

GILLES PLAINS

Location
Carona Avenue,
Gilles Plains

Completion: June 2011

Project cost: \$1.79m

Dwelling mix: 6 units

Target group: People with mental illness or psychiatric disability

Partners: HomeStart Finance; SA Health; NRAS

Project Summary: This project delivers six NRAS properties constructed by Unity Housing in the northern, western, eastern and north eastern metropolitan area for the Mental Health Unit of SA

Health for the Housing and Accommodation Support Partnership (HASP) program.

Allocation decisions are made by the Mental Health Allocations Committee in each region. Unity Housing and the local psychosocial support provider are members of these committees. Support providers are Neami National and Life Without Barriers.

These developments were supported by the State Government Major Reform Unit through the NRAS Housing and Accommodation Support Partnership (HASP) program and NRAS Program 2.

2011

CBD

Location
Hocking Court
Evans Place,
Adelaide

Completion: February 2011

Project cost: \$3.31m

Dwelling mix: 12 dwellings in a four-level residential inner city apartment block with two car parks

Target group: People on low incomes

Partners: The Wyatt Benevolent Institution Inc.; Adelaide City Council; State Government Grant (AHIU); Bendigo and Adelaide Bank; HomeStart Finance; NRAS

Project Summary: This project delivers 12 units to a range of low income people for long term affordable rental in the City of Adelaide.

This project is an example of the new generation of affordable housing being developed by Unity Housing and its partners in the commercial, philanthropic, State and Commonwealth Governments.

Unity Housing contributed approximately 40 per cent of the total project cost and the Bendigo and Adelaide Bank was a major contributor.

2010

NORTHERN SUBURBS

Location

Walpole Road
Paralowie; Kinross
Avenue Burton;
Chellaston Road
Munno Para West;
Blaess Drive
Paralowie

Completion: September 2010

Project cost: \$1.5m

Dwelling mix: 5 houses

Target group: People on low incomes

Partners: HomeStart Finance; NRAS

Project Summary: The houses in Paralowie, Burton and Munno Para West were built for low income people for long-term affordable rental.

The developments were supported by State Government Grant (AHIP) and NRAS Program 1.

2009

CBD

Location

Logan Street,
Adelaide

Completion: February 2009

Project cost: \$4.06m

Dwelling mix: Apartment block of 16 units

Target group: People on low incomes

Partners: Adelaide City Council; Bendigo and Adelaide Bank; HomeStart Finance; The Wyatt Benevolent Institution Inc.; SA Government AHU; NRAS

Project Summary: Launched in 2009, the Logan Street project is an example of the new generation

of affordable housing being developed by Unity Housing and its partners in the commercial financial, philanthropic, Local, State and Commonwealth Governments. Unity Housing contributed approximately 40 per cent of the total project cost and the Bendigo and Adelaide Bank also made a major financial contribution.

The developments were supported by the Commonwealth Government National Rental Affordability Scheme (NRAS) and SA Government Affordable Housing Innovation funds.

Completion: 2007

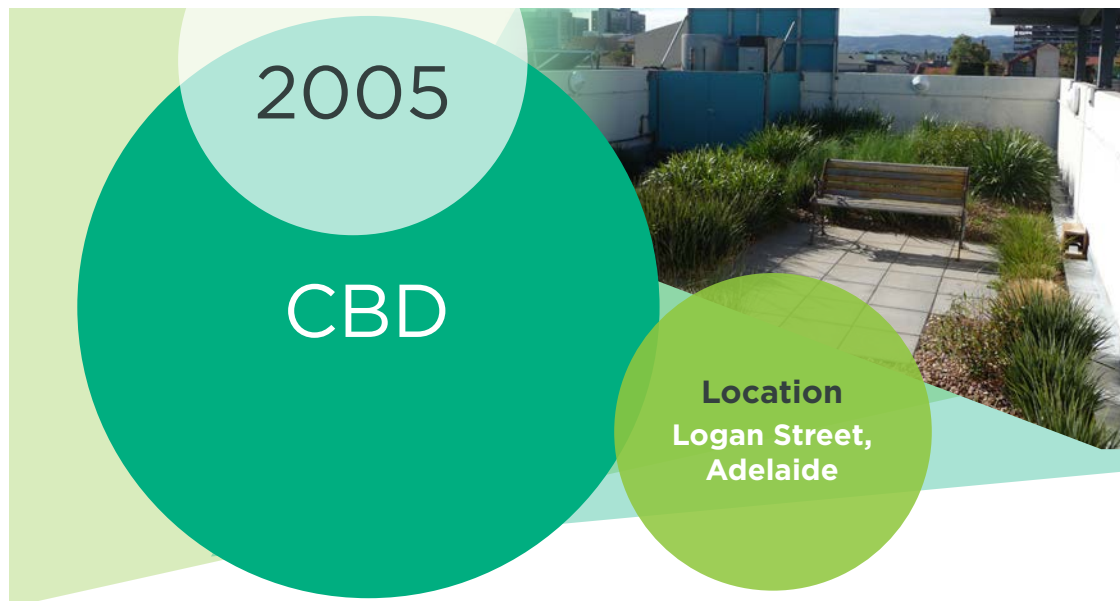

Project cost: \$1.4m

Dwelling mix: 6 apartments

Target group: Low income vulnerable adults

Partners: Adelaide City Council; SACHA

Project Summary: This project delivers six two-bedroom apartments specifically designed for vulnerable adults on low incomes.

Completion: 2005

Project cost: \$2.6m

Dwelling mix: 15 apartments

Target group: Low income vulnerable adults exiting inner-city boarding house accommodation

Partners: Adelaide City Council (land); SACHA; Capital City Funding for rooftop garden

Project Summary: Delivering 15 apartments in a four-level building featuring a rooftop garden, this ground-breaking project was designed for low income vulnerable adults and can be used to transition from boarding house accommodation.

Completion: 2003

Project cost: \$9m

Dwelling mix: 16 homes (12 units, 4 houses)

Target group: Frail aged homeless (8 units fully accessible); homeless women and homeless families

Partners: Adelaide City Council; Anglicare SA; SACHA

Project Summary: This project delivers 16 accommodation options including 12 units built to accessible standards and tenanted by frail aged people who were previously homeless. The bulk of these tenants are supported by the Aged City Living Program at Hutt Street Centre or through aged care packages administered by the Anglican Inner City Aged Care Program.

The four townhouses provide homes for women escaping domestic violence, and refugee families.

Completion: 2003

Project cost: \$0.97m

Dwelling mix: 6 apartments

Target group: People on low incomes

Partners: Adelaide City Council (land); SACHA

Project Summary: Delivering six two-bedroom apartments, this project provides homes to people on low incomes.

Completion: 2002

Project cost: \$0.8m

Dwelling mix: 3 residential units and renovated heritage listed cottage

Target group: People on a low incomes

Partners: Adelaide City Council; Bradbrook Constructions (builder); Flightpath Architects

Awards: RAlA Architecture Design Award 2002

Project Summary: This project involved the conservation and adaptation of a rare detached dwelling (1848) and former shop (1857).

This unique project allowed for conservation of a rare and significant building. Adelaide City Council engaged Miller Street Productions to produce and archival film record of the heritage conservation and community housing project. In addition, three new units for those on low incomes were created.

Completion: 2002

Project cost: \$1.8m

Dwelling mix: 9 units

Target group: People on low incomes and homeless women in the inner city

Partners: Flightpath Architects; AJ Chappell (builder); Catherine House; Adelaide City Council; SACHA

Awards: UDIA Design Award 2002

Project Summary: These nine three-storey inner city residential units were developed in partnership with Catherine House women's shelter to deliver secure accommodation for women escaping domestic violence.
